- KITCHEN DEEP CLEANING.

Running a restaurant in London means staying on top of your kitchen hygiene and ensuring compliance with TR19 standards—essential for landlords, insurance, and council regulations. We guarantee your kitchen extraction system is spotless, safe, and certified.

We offer a 24/7 service, so we can work around your schedule, minimizing downtime for your kitchen. Plus, every job comes with before-and-after photos, detailed reports, and a TR19 certificate upon completion. Let us handle the cleaning for you.

Book a No-Obligation Quote Today! Simply scan the QR code to schedule a free survey.

Keep Your Kitchen Compliant and clean with TR19 Certified Extraction Cleaning, which includes a full report and schematic drawing for your kitchen system. High-quality, professional service is our number one priority. But we also understand that price is very important to our customers. This is why we offer our Price Match Promise. Our price match promise means we will happily match any like-for-like quote throughout London.
